

Assumption College Thonburi Re-examination Form

Subject: **Health and PE** Subject Code: **HPE32101** Grade: **11**

Assignment(s) Given for Re-examination

Report Quiz / Paper Assignment Project Work Others

Details of Assignment(s)

Grade 11 students will need to complete a research project on “The Role of the Respiratory System During Exercise”. The project must be completed in Microsoft Word and should be submitted to the subject teacher personally.

Criteria Marked as ‘Pass’

Students must show how the mechanics of breathing effects tidal volume, inspiratory reserve volume and the expiratory reserve volume during exercise. The research project must contain visual components such as photos and/or graphs to highlight the information presented in the research project. Students must write their full name, class number, ID number and date of submission on the 1st page of their essay. Untidy and unorganized work will not be accepted.
